

Setting the student page options

	This tutorial explains how to change the settings of the student pages.
	Student pages > General student page options
	<p>A user is a person managing the EConsort application.</p> <p>An applicant is an applying student.</p> <p>A student is an applicant who has been admitted.</p>
	Printscreens in this tutorial are centered and indicated by a box .
	Watch the corresponding video tutorial online by clicking the 'Play' icon.

▼ This menu displays 5 options.

Clicking the **pencil** next to an option, allows you to modify the settings.

Edit student page options

- Overview of students:  only names
- Student stories?:  YES
- Frequently asked questions?:  YES
- My courses?:  YES
- Reset password?:  YES

▼ The first item determines how a student sees information of his/her fellow students.

A user can choose to display the names with email addresses or the names with a send message option. He/She can also choose not to display this information or to limit the shown information to the students' names.

Edit student page options

- Overview of students: 

only names

names with email addresses
names with send message option
not visible
only names

- Student stories?:  YES
- Frequently asked questions?:  YES
- My courses?:  YES
- Reset password?:  YES

▲ Choose an option from **the list**. Save the settings by clicking the **button**.

▼ All 4 other options can be adjusted by choosing between **yes or no** and **saving**, which does or doesn't display the mentioned setting on the student page.
