4. Download here templates to be used for the thesis
5. **Practical taxonomy - part 3 - course notes**
6. Practical taxonomy - part 2 - software
7. Practical taxonomy - part 1 - course notes
8. More articles for course of Simon Thrush
9. Course material Simon Thrush
10. Updated course schedule
11. Statistica
12. Videoconference - slideshows
13. Check your courses ...
14. test
15. Sports at Ghent University
16. Course scheme 2008-2009
17. Family doctors in Ghent

6. **Subject of the message:** Practical taxonomy - part 2 - software

Text of the message: - winclada
- manual

Link to list of students: List of students: 2008_Master 1_Ghent

Visible for Oian Kaicheno: Verkempynck Ruhen: Alves Renata Mamede da Silva: Biswas Bhahananda:

In order to create a new message, scroll to the top of the page, and select “Add new”

The screenshot shows the Consort EMBC web interface. At the top, there is a header with the Consort logo and EMBC text. To the right of the logo, there are links for Cohorts: [2008] [2009] [2010] [2011], a HELP link, and an 'Add to favorites' button. Below this, there is a user profile for Tim Deprez with a [Logout] link. A breadcrumb trail indicates the user is in 'Admin settings' and can 'Add front text on student pages'. A navigation bar contains links for Home, Applications, Students, Scholars, Users, Management, Courses, Website, and Student pages. The main content area displays a list of messages. The first message is selected, and its details are shown on the right. The 'Add new' button is highlighted with a red box. The message details include the subject, text, link to list of students, and a 'remove' button.

1. **Subject of the message:** ;jezefhfalzfhalzf

Text of the message: fezfefezefzef

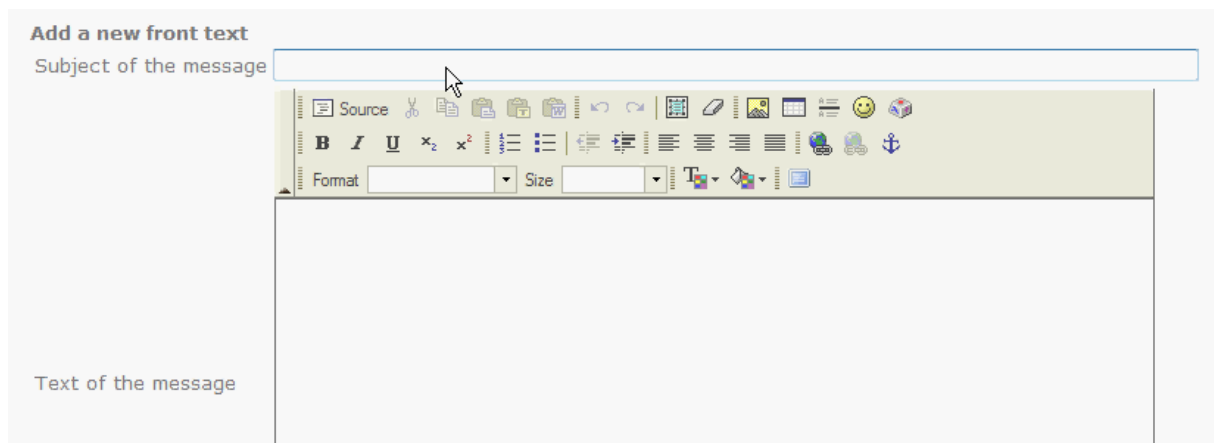

Link to list of students: List of students: 2008_Master 1_Ghent

Visible for students:

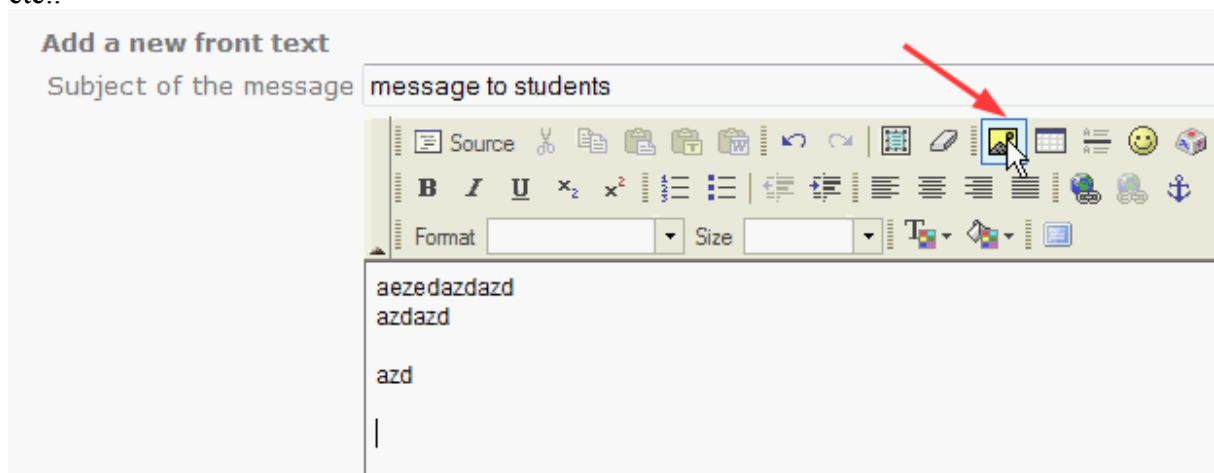

Remove from all students: remove

2. **Subject of the** Malta - introduction courses

This will take you to the next screen, where you can edit text to create a new message.

Since it is the same editor as for the creation of the website, you can add pictures, weblinks, etc..

Text of the message

add text

After editing/inputting your data into the textbox, scroll down to the “add text” button and click it to create the text message.

[Add new]

1. **Subject of the message:** message to students

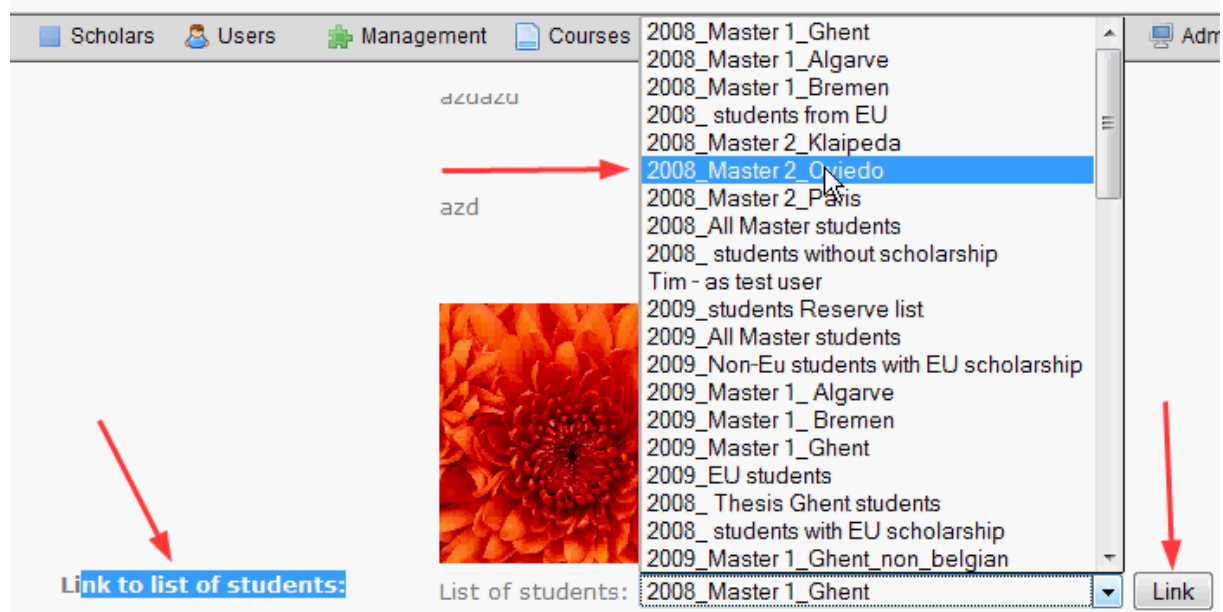

Text of the message: aezedazdazd

azdazd

azd

In order to show this message to a list of students, we have to select the list. (in this case master2_Oviedo)

After clicking the “Link”-button, you will see a list of students who are able to see the message

The students will, as they log in to their student page, see the text + image you entered as stated before.

In case you want to remove this text from a students, press “remove”

The screenshot shows a user interface for managing student lists. At the top, there is a large image of a red flower. Below the image, on the left, are three labels: "Link to list of students:", "Visible for students:", and "Remove from all students:". To the right of these labels, the text "List of students: 2008_Master 1_Ghe" is displayed. Below this, a list of student names is shown: "Wang Jun; Ieromina Oleksandra; Sir Vogel Camille; Audfroid Calderon Ma". At the bottom, the label "Remove from all students:" is followed by a red arrow pointing to the word "remove", which is also underlined. A mouse cursor is positioned over the word "remove".

Same as removing, you can edit the content of your message by clicking on the pencil-icons

The screenshot shows a message editing interface. At the top, there is a link "[Add new]". Below it, there is a list of messages. The first message is labeled "1. Subject of the message:" and has a pencil icon next to it. The text "message to students" is displayed next to the pencil icon. Below this, the label "Text of the message:" is followed by a pencil icon and the text "aezedazdazd". Below this, the text "azdazd" is displayed. At the bottom, the text "azd" is displayed. Red arrows point to the pencil icons next to the subject and text fields.

Deleting the message goes by clicking the “X” in the top right corner of the input screen.

1. **Subject of the message:**  message to students

Text of the message:  aezedazdazd
